Dear Mr. Alex Voon,

Appreciation & Recommendation Letter

Re: Azelia Residence Project, Damansara Avenue

We would like to take this opportunity to personally thank you and your team for your unwavering commitment and contributing in the successful completion of our Azelia Residence Project, Damansara Avenue.

Despite all the difficulties and challenges encountered at site, your dedication and support to our development team and your cooperation and willingness to work collaboratively and unselfishly with all subcontractors and Consultants towards the common goal has ensured that we accomplish a development that all of us could be proud of. As such, we wish to express our sincere appreciation to all your team members who has worked diligently during the construction period to ensure the timely and successful completion of this project. Your excellent and committed performance is commendable and we look forward to a continued business relationship with you in our future development projects.

It is indeed a pleasure to work with your team and thank you once again for the outstanding job.

Yours faithfully,
TA BINAPRESTIJ SDN BHD
